

It is the purpose of this Ordinance to establish an effective means of regulating and controlling sound and noise within the County of Yadkin to the ends that (1) the health, safety, and welfare of the population are promoted and maintained through peace and good order; and (2) the rights of individuals are not unreasonably restricted.

OFFENSES AGAINST PUBLIC PEACE AND ORDER:

Subject to the provisions of this section, it shall be unlawful for any person or persons to make, permit, continue or cause to be made or to create any unreasonably loud, disturbing or unnecessary noise in Yadkin County. For purpose of this section, the following definitions shall apply:

1. **Unreasonably loud:** Noise which is substantially incompatible with the time and location where created to the extent that it creates an actual or imminent interference with peace or good order;
2. **Disturbing:** Noise which is perceived by a person of ordinary sensibilities as interrupting the normal peace and calm of the area;
3. **Unnecessary:** Any excessive or unusually loud sound or any sound which is of such character, intensity and duration as to disturb the peace and quiet of any neighborhood or which disturbs, injures, or endangers the comfort, repose, health, peace or safety of any person, and being a type of sound which could be lessened or otherwise controlled by the maker without unduly restricting his conduct.

In determining whether a noise is unreasonably loud, disturbing and unnecessary, the following factors incident to such noise are to be considered: Time of day, proximity to residential structures; whether the noise is recurrent; intermittent or constant; the volume and intensity; whether the noise has been enhanced in volume or range by any type of electronic or mechanical means; whether the noise is related to the normal operation of a business or other labor activity; whether the noise is subject to being controlled without unreasonable effort or expense to the creator thereof.

The following acts, among others, particularly, but not limited to, the hours between eleven o'clock p.m. and seven o'clock a.m., are declared to be loud, disturbing and unnecessary noises in violation of this section, but this enumeration shall not be deemed to be exclusive:

1. **Blowing horns:** The sounding of any horn, whistle, siren or signal device on any automobile, motorcycle, bus or other vehicle, except as a danger signal, or as required by law, so as to create any unreasonable, loud, or harsh sound or the sounding of such device for an unnecessary and unreasonable period of time;
2. **Radios, record players, etc.:** The playing of any radio, television set, record player, stereo, or other sound reproduction system, musical instrument or sound-producing, or sound amplifying device in such a manner or with such volume, so as to annoy or disturb the quiet, comfort or repose of any person of normal sensibilities in any dwelling, motel, or any other type residence;

3. **Pets:** The keeping of any animal or bird, which, by causing frequent or long continued noise, shall disturb the comfort and repose of any person with normal sensibilities in the vicinity;
4. **Use of Vehicles:** The use of any automobile, motorcycle, dirt bike, go-cart, all terrain vehicle, recreational vehicle, or any other vehicle so out of repair, so loaded or operated in such manner as to create loud or unnecessary grating, grinding, rattling, screeching of tires or other noise;
5. **Exhaust Discharge:** The discharge into the open of the exhaust of any steam engine, stationary internal combustible engine, or motor vehicle, except through a muffler or other device which will effectively prevent loud or explosive noises there from;
6. **Compressed Air Devices:** The use of any mechanical device operated by compressed air unless the noise created thereby is effectively muffled and reduced;
7. **Noises near Schools, Etc.:** The creation of any excessive noise on any street adjacent to any school, institution of learning, library, or court while the same is in session, or adjacent to any hospital, or any church during services, which unreasonably interferes with the operation or activities of such institution;
8. **noises to Attract Attention;** The use of any drum, loudspeaker, or other instrument for the purpose of attracting attention by creation of noise to any performance, show, sale, display or advertisement of merchandise;
9. **Explosives, Firearms:** The use or firing of explosives, firearms, or similar devices to cause unreasonably loud and excessive noises in an unnecessary manner or with unreasonable or unnecessary repetition, so as to annoy or disturb the quiet, comfort or repose of any person of normal sensibilities in any dwelling, motel, or any other type residence;
10. **Blowers, Engines:** The operation of any noise-creating blower, power fan, appliance, or other mechanical device, which, due to its operational deficiencies, malfunction, or other type disrepair, causes loud and excessive noises in such a manner as to unreasonably annoy the public or disturb the quiet, comfort or repose of any person of normal sensibilities in any dwelling, motel, or any other type residence;

EXCEPTIONS:

The following uses and activities, among others, are not governed by and shall be exempt from the noise regulations set forth in this chapter.
